KEY EXPERIENCE

E-commerce Manager & Brand Strategy

ACE FOOD — Paris — 2020 — 2023

- Led 3 multilingual Shopify websites (FR / KR / JP), overseeing catalog setup, CMS, content, and category structure.
- Structured and optimized order, sales, and inventory management systems, along with related operational processes.
- Developed promotional pages and campaigns in collaboration with partner brands such as KGC, AT, and Bibigo.
- Conducted Google Analytics reviews, SEO optimization, and ongoing content improvement, contributing to annual growth of 65–75%.
- Coordinated internal teams, external partners, and market needs to ensure operational continuity across the sites.

Chef de projet senior

HSAD-GIIR France (LG Group) — Courbevoie — 2023 — Present

- Coordinated projects between Korean headquarters, the French market, and external partners in a trilingual working environment.
- Developed and deployed promotional materials and retail devices for product launches.
- Managed large-scale retail execution projects with multi-stakeholder coordination and deadline control.
- Contributed to local market adaptation, product visibility, and nationwide retail rollouts in France.
- Worked on large-scale retail deployment projects involving 750+ points of sale.

Other Relevant Experience

EMONS Furniture (Korea) — Product development & international sourcing

ORCOM Europe / DuBlanc Paris — Product uploads, content operations, and operational coordination

Independent Projects — Web, content, brand execution, and market adaptation
